

# Certificate of On-Site Training

*Allison Tedeschi, R.N.*

has successfully completed an On-Site Training Program using the **da Vinci**<sup>®</sup> Surgical System. This program consisted of didactic and practical application sessions covering the components and use of the **da Vinci**<sup>®</sup> Surgical System and **EndoWrist**<sup>®</sup> Instruments. Training segments were also conducted to review the roles and responsibilities of surgical team members while using the **da Vinci**<sup>®</sup> Surgical System.

Sr. Director  
Training and Development

Training conducted by:  
Heather Baumwald

This training program is not a replacement for hospital policy regarding surgical credentialing. Intuitive Surgical only trains on the use of the surgical tool, the da Vinci Surgical System. Any demonstration(s) during the training on how to use the System to perform a particular technique or procedure is not the recommendation or "certification" of Intuitive as to such technique or procedure, but rather is merely a sharing of information on how other surgeons may have used the System to perform a given technique or procedure.
