Dear Allison:

I want to write you a short note of thanks for helping out with the Forest and Trinity Catholic High School preseason physicals in late July. It went off without a hitch and it was an overwhelming success. We screened nearly 400 athletes and had tremendous feedback from the students and parents. Your donation of time and talent was certainly appreciated by me and all those involved.

Allison, thanks again for your time and efforts. I hope you have a wonderful fall and I look forward to seeing you soon.

With Warmest Regards,

James B. Duke, M.D.
