Dear Allison:

I wanted to drop you a short note of thanks for your participation in the recent high school physicals for Trinity Catholic High School and Forest High School. They were once again an overwhelming success. The student athletes, parents, coaches, and faculty at these schools deeply appreciate your contribution of time and talent to this endeavor. I also salute your spiritive giving to these fine young people and allowing them to pursue their goals on and off the sports fields.

Thanks again for your kindness and generosity. I hope you have a wonderful rest of the summer and I look forward to your participation next year.

With Best Wishes,

James B. Duke, M.D.
