

2-09

Thank you so much Allison,
Bill, Dr. Glas and everyone
else who took such good
care of me while I had
my knee replaced! I rem-
ember NOTHING from when
I moved to the OR table
till I wake up in my
room!

Rehab continues, but I'm
finally back at work. I'm
just glad I only needed one
replacement!

Thanks again,

Susan Jones

Allison,

Thanks for such great
nursing care. Me + my dad
really appreciate it.

Thanks

YOU'RE THE BEST!
