Dear 2006 Walk from Obesity Registrant:

On behalf of the ASBS Foundation, I would like to thank you for your participation and generous donation to the 2006 Walk from Obesity.

Every contribution received by the ASBS Foundation takes us a step closer to better understanding the debilitating effects of severe obesity. Charitable gifts, private and public donations, as well as fund-raising activities such as the Walk from Obesity, all support the Foundation's efforts to learn more about not only obesity's physical effects, but the social and emotional aspects of this disease. This knowledge is a useful tool in educating society about obesity, and most importantly, finding successful methods of treatment.

We look forward to your participation in the 2007 Walk from Obesity and your support of its dual mission of raising funds to support the ASBS Foundation and raising social awareness of severe obesity. With every step toward awareness, we walk forward into a healthier future. Thank you again for your support in this year's Walk from Obesity!

Sincerely,

Mathias A.L. Fobi, MD
